The Burroughs Wellcome Fund CASI program is “intended to foster the early career development of researchers who have transitioned from graduate work in the physical/mathematical/computational sciences or engineering into postdoctoral work in the biological sciences, and who are dedicated to pursuing a career in academic research.... [The award provides] $500,000 over five years to bridge advanced postdoctoral training and the first three years of faculty service.”

Eligibility:
- PhD in mathematics, physics, chemistry, computer science, statistics, or engineering.
- Completed at least 12 months but no more than 60 months of postdoctoral training
- Cannot have accepted a faculty position (verbally or in writing)
- Primary postdoctoral mentor must be at an accredited, degree-granting institution in the United States or Canada.
- Must be U.S. or Canadian citizen, non-citizen permanent resident, or temporary resident legally allowed to work in U.S. or Canada.
- May not hold K99 from NIH.

See [https://www.bwfund.org/grant-programs/interfaces-science/career-awards-scientific-interface](https://www.bwfund.org/grant-programs/interfaces-science/career-awards-scientific-interface) for full details about the program.

Pre-applications are due to the Fund on September 6, 2017. Those individuals who will be invited to submit full proposals will be notified by November 14, 2017. Full proposals will be due on January 10, 2018.

**Pre-proposals due: Wednesday, September 6, 2017**

**Invited full proposals due: Wednesday, January 10, 2018, 4:00 pm.**
