2018 McKnight Memory and Cognitive Disorders Award

The McKnight Foundation is soliciting applications for the 2018 Memory and Cognitive Disorders Awards. Up to four $100,000 awards will be made, and funds can be expended over three years. “The McKnight Memory and Cognitive Disorders Award assists scientists working to apply the knowledge achieved through basic research to human brain disorders that affect memory or cognition.” Eligible candidates must be tenured or tenure track faculty members.

Full details about this program are found at: https://www.neuroscience.mcknight.org/newsroom/upcoming-deadlines/2017-mcd

Preliminary application due to Foundation: March 27, 2017.
