

# A CALL FOR NOMINATIONS FOR UPSOM MEDICAL EDUCATION

## AWARDS:

Each year, UPSOM recognizes outstanding faculty contributions to medical education through several prestigious awards. Faculty are honored for their contributions to classroom and clinical teaching, mentoring, and innovation.

**Nominations for the 2013 awards are now being accepted. All faculty and students are encouraged to submit nominations via the centralized electronic site at <http://www.omed.pitt.edu/about/curriculum-awards.php>**

Please note that there are several award categories, listed and described below. Please review the categories carefully when considering your nomination. It is important to include sufficient narrative in the "Description of Nominee's Award Criteria" field.

Honorees will be selected by the Award Review Committee and the Dean, based on all submitted nominations. The Award Review Committee is comprised of members of the Academy of Master Educators and the Curriculum Committee Executive Subcommittee. Award winners are announced at the annual Curriculum Colloquium, which will be held Tuesday, October 8, 2013.

### [Kenneth E. Schuit Award, Recognizing the Dean's Master Educators](#)

This award recognizes **basic science and clinical** faculty for education-related contributions to the Pitt Med Curriculum.
